Thanks Brandi; checking with PRP & Benchmark (PRP contractor who placed samplers before) now, but for me I am available the whole week.

Subject: Final proposed dates for Dive Ops

Gary,

We have reached a final proposal for conducting our first round of dive ops at San Jacinto. If you, your team and the RP are available for two days during the week of Dec 7-11, we can fully commit to completing the operation this week.

We will plan to operate on site for two days. Mobilizing and demobilizing the day before and day after.

Please let us know if this time period will work for you all.

Respectfully,

Brandi Todd
